

RUSH HILL AND WESTON SURGERY

INVITATION

To all our patients

To join our
PATIENT EMAIL GROUP

In order to improve the service we deliver, we would like to set up an **email group** to occasionally ask your views on a range of subject relating to the surgery.

If you would like to be involved please fill in the form overleaf and hand it to reception. Please note the following:

- Your email address will not be shared with other patients;
- Any views you give will be anonymous and will have no effect on your medical treatment;
- Your membership to our email group will **not be linked** to your medical record;
- This group will be to discuss **general issues** and cannot be used to ask questions about individual patients or their treatments – no medical information or questions will be responded to;
- You may leave this group anytime by notifying reception; and
- The information you supply us will be used lawfully, in accordance with the Data Protection Act 1998.
